RESPONSE

Sir:

This is in response to the United States Patent and Trademark Office Action mailed August 1, 2000, and following an Interview held with the Examiner in relation thereto, which response is being made on or before December 1, 2000, and for which a one month extension fee is due and is being submitted herewith. Please amend the above-identified application as follows:

In the Claims:

~~Please cancel claims 1-53.~~

Please add new claims 54-59, as follows:

Sub c1
B1

54. (New) A biological preparation for use in vivo comprising, ex vivo, cells and a purified, natural or recombinant, glycosaminoglycans degrading enzyme being externally adhered thereto, so as to enhance extravasation, implantation, transplantation, invasion and/or migration of said cells in vivo.
